Welcome in
the New Year!

Hello, 2017, where:

- Spring awaits
- Fleece feels great
- Home fires burn
- The dog can sleep on the bed
- No yard work to speak of
- And it's, “Go Hawks!” for another 3 games

Celebrating 40 years

From very humble beginnings in 1977, we now approach our 40th Anniversary. So many wonderful memories... and a few tough ones, but they helped us grow and mature.

We have met and become friends with many customers and trades people. What a joy! And the Olympic Team has performed exceptionally over the years, installing great landscapes and providing professional service to the various landscape systems. These relationships and the landscape work we have been able to provide has made this venture all worthwhile.

A celebration is planned in July at CI Shenanigans on Tacoma's waterfront. Further information and an invitation will be sent out closer to the date of the party. Hope to see you there. Thank you for being a part of our history!!

Best Landscaper for 2017?

Here we are again, hoping to be selected the Best Landscaper of South Sound for the 8th year in a row. You have helped make this possible by selecting us to perform work, selling us product and voting for us in the past. Will you do that again this year? Just follow the link below.

Vote for the Best of the South Sound 2017 [here!](#)

You'll find us in the [Home & Garden section](#). You may have to register but it's an easy deal. There are several categories you can get involved in, if you want, and it's kind of fun. Thank you for your vote!!

TACOMA **HOME** plus
GARDEN SHOW

JAN 26-29
TACOMA DOME

Olympic Landscape presents...

Our **HEAVY METAL ROCKS** display this year features – guess what?! – rock gabions (may have to look that one up!), rock seating at the fire pit and placement rock along with steel structures for support and charm.

The landscape includes paver patio areas, wood arbors, a sunken, secluded fire pit area and stone slab steps. A handsome, live-edge table, patio seating pieces with accent tables are part of the attractive décor and a number of garden art pieces are included. Plantings

throughout set off this wonderful landscape.

You are invited to come to the Tacoma Home and Garden Show at the end of this month and get caught up with the latest in home and yard remodel. While you are there, please stop by our Grand Display and stroll thru our landscape. When there you can **Enter to Win a FREE Landscape Design**. We look forward to seeing you!!

Plan Now for a Spring Landscape

Spring is often thought of as a great time to landscape. And it is! If you want to make changes for the summer months so you can entertain, relax or simply enjoy the pleasing landscape then now is a good time to start the process.

Call us for a Free Site Visit with one of our professional designers. They'll come to your home and discuss your needs with you; and, if it seems appropriate, talk about how a landscape design would help.
