Olympic is co-hosting a school supply drive to help with the St. Francis House annual Back-to-School Program.

Every child should have the opportunity to be equipped with necessary supplies to be successful in school. Some families have a difficult time in affording the annual long list of supplies needed. In 2017, St. Francis House helped nearly a thousand low-income students with grade-appropriate school supplies and clothing - and is striving to do the same this year.

Would you like to help?

You can drop off your donations at the Olympic office - M-F 8am-5pm through July 31st:

5620 112th St E #230
Puyallup, WA 98373

You can see a list of needed school supplies here:

Thank you for making a difference!

Enjoy your Summer!
