## Tacoma Home and Garden Show

Be sure to stop by this year's Tacoma Home and Garden Show to see something entirely new from Olympic. Instead of strolling through details of European gardens, County Lodge waysides, or Cottage-style yards, you'll be taking a look at a modern, simplistic garden which also expresses the other services at which we excel.

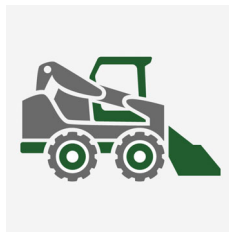

You might find some new materials, some familiar materials, and maybe some familiar materials used in new ways.

Just as every great landscape starts with a well thought out plan, every sprinkler service, backflow test starts with a well thought-out approach. Every landscape maintenance customer receives thoughtful, well planned work.

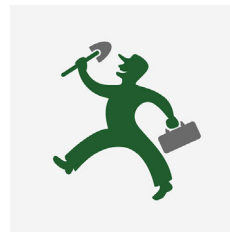

Come see all the great landscaping services we have to offer that include:
