St. Francis House Back-to-School Program

Olympic is co-hosting a school supply drive to help with the St. Francis House annual Back-to-School Program.

Every child should have the opportunity to be equipped with necessary supplies to be successful in school. Some families have a difficult time in affording the annual long list of supplies needed. In 2019, St. Francis House served 1,116 low-income students with a backpack full of grade-appropriate school supplies and clothing for school - and is striving to do the same this year!

Thank You

...for your patience and understanding!

2021 has been a wonderful year in so many ways and we are grateful for that!

We have been blessed to be very busy doing the work we love, creating exceptional landscapes for our customers.

Yet in some ways it has been one of the most stressful and challenging for us and our customers as well.

Due to the unusual circumstances the pandemic has created, we have seen a tremendous surge in the interest for landscaping services. At the same time though we have ironically been saddled with **a severe shortage of labor, along with periodic interruptions in our normal supply chains**. Consequently customers have had to endure long wait times for service and sketchy communication at times.

We have hopefully experienced the peak of this kind of weird dilemma however as it seems we are starting to catch up with the overflow of work and finding creative ways to handle the workforce challenges. A backlog is still there, but we are gaining more of a handle on it!

Fortunately we are blessed to have some super industrious and creative employees who are finding ways to get things done in spite of the situation. We are grateful for these leaders and workers, taking it in stride and going the extra mile to give our customers the excellent service they desire and deserve!

Thanks so much again, to all of our wonderful customers for your patience and understanding, and to our great Olympic Team for your loyalty, perseverance and hard work during these both trying and rewarding times!

Enjoy your Summer!
